

As a valued resource for Veterans in Iowa we would like to invite you to join us at the
Operation Engage America –University of Iowa Veteran Resource Fair
Friday Sept 16th, 2016.

Operation Engage America (OEA) is a 501(c)3 national nonprofit organization founded by Lisa and Jeff Naslund, of Galva, Iowa and Jean and Howard Somers, of San Diego, CA after the devastating losses of their sons, Dillion and Daniel, to combat related suicide. Both were Veterans of the Iraq war (Dillion also served in Afghanistan) who returned to civilian life challenged by PTS and other multisystem health issues.

The goal of the Operation Engage America – University of Iowa resource fair is to create an invigorating and educational day of awareness and a “one-stop shop” of resources for our Veterans, First Responders, and community members. The focus of the fair is to help connect veterans, their families, and first responders with organizations like yours that provide resources, programs and services related to PTS, TBI, and a host of other transitional issues.

We hope you can join us!

Operation Engage America- University of Iowa

Friday Sept 16th, 2016

From 9am-2pm

at:

Iowa Memorial Union

125 North Madison St.

Iowa City, IA 52242

Each participating organization will receive at no charge a 6ft resource table and chair. **Participation at the event is free of charge.** In lieu of a fee, participating organizations are asked to help market the event via social media, and through email contact lists. This will help us ensure that we reach the largest number of our target audience.

To participate as a vendor at this resource fair please contact us or complete the online vendor registration form at:

<http://www.operationengageamerica.org/vendorapplicationform.html>
